

Topshelf

est. 1990

Liquor Bar
& Pizza

Today, we found out that one of our employees tested positive for COVID-19. Out of an abundance of precaution, we have decided to temporarily close our Topshelf Downtown location until further notice. We are working with the health department to ensure we take the proper next steps for the safety of our staff and patrons.

We are grateful that our employee, who tested positive, has only mild symptoms and is in good spirits. We are sending all the positive vibes out to area first responders and front line worker, who are heroes to Muskegon through these harsh times.

Thanks for your continued support to our business through all of the hardships of the last 9 months. Keep supporting local.

If you want your favorite Topshelf Pizza, please call in an order to our [Topshelf Apple location](#). If you're looking for a top-notch dine-in spot, please visit [Capone's Speakeasy](#) and [794 Kitchen & Bar](#).
